FREE Informational Session on Septic System Maintenance

AKRON, Ohio – Summit County Public Health (SCPH) will be hosting a free informational session about residential septic system maintenance. The session will cover how to properly maintain a septic system and the requirements of the Operation Permit program. All homeowners who have a septic system are encouraged to attend. After the presentation, SCPH staff will be on hand to answer any questions you may have about your septic system or the requirements of the Operation Permit.

The session will be held on Tuesday, May 16th from 5:30 p.m. to 7:00 p.m. in the auditorium at Summit County Public Health located at 1867 W. Market St., Akron, OH 44313. The session is free! You can register on the Summit County Public Health website at www.scphoh.org on the home page under Events. Registration is encouraged, but not required.

If you would like more information or have questions, please call 330-926-5600.
